Index Terms

This collection is indexed under the following headings in the catalog of the University of Minnesota Libraries. Researchers desiring materials about related topics, persons or places should search the catalog using these headings.

McCarthy, Eugene J., 1916-2005

[Return to the Table of Contents](#)

Arrangement

The collection is organized according to the various presidential campaigns and within those campaigns by series. This arrangement begins with audio-visual and oral history materials, photographs, and then campaign-specific items. Other materials, such as literary and personal papers not specifically dealing with any presidential campaign are located at the end of the collection. This organization is based on the original arrangement of the papers as they were found in the McCarthy Historical Project Archive at Georgetown University, with some slight modifications.
